References

Prof. Madhav Ajwalia

- Counselor and Project Mentor
- Assistant Professor at CHARUSAT University
- Email: madhavajwalia.it@charusat.ac.in

Technical Knowledge

- Programming Languages: C, C++, Java, Python Basics.
- Web Languages: HTML, CSS, JavaScript. ReactJS.
- Android App Development.
- Database MySQL, Firebase.

Projects

University Placement Website

NodeJS, ReactJS, MySQL, MVC (February 2021-Present).

- Designed with the motto of easing the placement procedure by providing a common interface for both the recruiters and the students of the university. The students could directly apply to their desired companies and recruiters could sort the students according to their requirements. It is platform-independent and can be used on any device with a browser and internet connection.

Daily Buddy

XML, Java, Firebase, Git and GitHub, and Android Studio (July 2020-November 2020).

- Daily Buddy is a note-taking and to-do list android application. Packed with a minimal and intuitive UI, Daily Buddy is designed to meet the needs of all, from a child to a professional. It uses an online database to store user data thus, minimizing the user requirements. You can use this application on regular basis for managing your daily tasks and storing important notes.

Ticket Booking System

C++ (February 2020-March 2020).

- Ticket Booking System, being my first ever project as an IT Student, was quite a simple and low-level project. There are functionalities available for viewing the brochure, changing the password or logging out.

Academic Certifications

- Secured "Good" in **C & C++ programming** exam by NIIT.
- Attended a two-day workshop on **Android Development** (2019).
- Completed **Technical Support Fundamentals** offered by Google on Coursera (2020).
- Completed **The Bits and Bytes of Computer Networking** offered by Google on Coursera (2020).
- Completed **Python For Everybody(Getting Started With Python)** offered by the University of Michigan on Coursera (2020).
- Completed **Python Data Structures** offered by the University of Michigan on Coursera (2020).
- Completed **Marketing in a Digital World** offered by the University of Illinois at Urbana-Champaign on Coursera (2020).
- Completed **Database Management System** offered by NPTEL(2021).

Co-Curricular Activities

- Trained **Classical Dancer in Bharatnatyam** from Sargam Nartan Academy (2010-2016).
- **Campaigned for CHARUSAT University** during Cognizance 2019. Cognizance is the annual technical festival at CHARUSAT University where people across all the engineering departments organise and participate in various workshops, contests, etc...
